

Holiday Bike Give-Away 2018

Season 14!

In the last thirteen years, Elves & More- West Michigan has provided **15,700** new bikes and helmets and **4,200** treasure boxes to all the children in **thirteen** neighborhoods of Grand Rapids and Wyoming.

We look forward to bringing that same joy to a new neighborhood of at least **500** children this holiday season. A bike opens up a child's world to new exploration, whether it means riding to the park, to the ball field, or to the library. Please consider becoming a part of this exciting opportunity by making a contribution of money and /or time. Each \$85 tax-deductible contribution can make a difference in the life of a child by providing a bike and helmet to kids age 4-17, or 4 treasure box gifts for kids under 3 years of age. A few hours of your time in the upcoming holiday season assembling bikes, wrapping gifts, or delivering this surprise will be very rewarding to you. As one little boy said to a volunteer, "you're better than Santa."

Together we can make it happen. Your contribution of time, talent or treasure will bring us closer to our goal of putting smiles on the faces of 500 children during the 2018 holiday season. Please complete the information below and enclose a check, or visit our website www.elvesandmorewestmi.org and click DONATE NOW to pay by credit card.

We appreciate your continued support and thank you for sharing our story with friends and family. It is because of you that we have been so successful!

You can count on me to help bring smiles this holiday season!
